

CURRICULUM VITAE

Name: DITTE DEGNBOL

Position: PhD student

Sex: Female

Nationality: Danish

Date of birth: April 21, 1973

Address: Innovative Fisheries Management
- an Aalborg University Research Centre
Aalborg University Copenhagen
Lautrupvang 2B
DK-2750 Ballerup
DENMARK

Tel.: +45 9940 2423

E-mail: dd@ifm.aau.dk

IFM Aalborg: Innovative Fisheries Management, IFM
- an Aalborg University Research Centre
Department of Development and Planning
Fibigerstræde 13, DK-9220 Aalborg Ø
Denmark

Tel.: +45 9894 2855

Fax: +45 9815 3788

E-mail: ifmmail@ifm.aau.dk

EDUCATION

2006 Cand. scient. soc., International Development and Philosophy and Theory of Science, Roskilde University Centre

LANGUAGE

	Speaking	Reading	Writing
English	Excellent	Excellent	Excellent
Danish	Mother tongue		

COUNTRY EXPERIENCE

Denmark, Laos, Canada

KEY QUALIFICATIONS

Research interests:

- Dynamics in the interface between science and policy making
- The handling of scientific uncertainties in scientific practice and decision-making
- Stakeholder involvement in the knowledge base for environmental management

Experienced in various forms of qualitative research methods

EMPLOYMENT RECORD

2008-	PhD student, Innovative Fisheries Management – an Aalborg University Research Centre.
2007-2008	Research Assistant, Innovative Fisheries Management – an Aalborg University Research Centre.

REVIEWS

Reviewer for MAST

EXPERIENCE RECORD

RESEARCH:

2008-2011	CEC, Research DG. PhD student. JAKFISH: Judgement and Knowledge in Fisheries Management, a Research Project under the EU 7 th Framework programme.
2008-2009	CEC, Research DG. Research Assistant. GAP 1: Bridging the gap between science and stakeholders, Phase I – Common Ground. A Specific Support Action under the EU 7 th Framework programme.
2007-2008	CEC, Research DG. Research Assistant. EFIMAS: Operational Evaluation Tools for Fisheries Management Options. Project under the EU 6 th Framework Programme.
2007	CEC, Research DG. Research Assistant. IBEFish: Interaction between Environment and Fisheries – a Challenge to Management. Project under the EU 6 th Framework Programme.
2003	Social Research for Sustainable Fisheries , research alliance. Student. Fieldwork

on Nova Scotia, Canada in connection to my master thesis at Roskilde University Centre. Studying the meeting between scientific and indigenous knowledges in the community-university research alliance between St. Francis Xavier University and the Paq'tnekek Fish- and Wildlife Society.

2001 **Institute for Fisheries Management & Coastal Community Development – IFM.** Intern. Interviewing Laotian fishermen and officials in connection with a research project on the use of stakeholder knowledge in fisheries management.

CONSULTANCIES:

2000-2006 **The Danish Central American Committee.** Volunteer, project monitoring. ENDEFTI: A 5-year project concerned with land legalization and the organization of peasants and cooperatives in Nicaragua. Financed by DANIDA.

PUBLICATIONS

2008 **Degnbol, Ditte, Barry Eustace, Katia Frangoudes, Jenny Hatchard, Troels Jacob Hegland, Ana Pitchon, Rikke Becker Jacobsen, Selina Marguerite Stead and Douglas C. Wilson.** Stakeholder perspectives on fisheries science and modelling – Focus group discussions in Spain, Greece, UK, Denmark and Ireland. Focus group report, Work Package 5, EFIMAS, EU 6th Framework Programme Specific Targeted Research Project no. SSP8-CT-2003-502516.

2007 **Degnbol, Ditte and Douglas Clyde Wilson.** Spatial Planning on the North Sea: A Case of Cross-Scale Linkages. *Marine Policy* 32 (2008) 189-200.

2006 **Degnbol, Ditte.** *Who Knows About Eel? Dealing with indigenous knowers in participatory research.* Master Thesis, International Development Studies, Roskilde University Centre, September 2006.

PARTICIPATION IN INTERNATIONAL CONFERENCES/SEMINARS/WORKSHOPS

11/ 2009: Conference: Re-visiting Expertise. On Experts and Knowledge. University of Copenhagen.

07/2009: MARE Conference 2009. Amsterdam.

05/2009: Science Studies Meet Climate Change. Workshop, Copenhagen University.

03-05/2009: Expertise and the Public Management of Uncertainty. PhD seminar, Göteborg University.

11/2008: Swedish STS network conference. Göteborg.

11/2008: Kyst og Fisk – workshop on hybrid management forms in fisheries. Roskilde.

10/2008: BfN conference – final reporting on ICES advice for the German Natura 2000 Marine Protected Areas. Stralsund.

- 10/2008: ICES Working Group on Fisheries Systems. European interdisciplinary team on the evaluation of fisheries resource management systems. Copenhagen.
- 07/2008: Bridging the gap between science and stakeholders – workshop on bridges and best practices. London.
- 06/2008: DASTS (Danish Association of Science and Technology Studies) conference II, Centre for STS Studies, Århus University, Århus.
- 06/2008: Profet Policy Conference – on fisheries research within the EU 6th framework programme. Copenhagen.
- 06/2008: Public Communication of Science and Technology – conference in Malmö, Lund and Copenhagen.
- 03/2008: Fisheries Management Evaluation Frameworks in Action – conference for briefing on findings and experiences from the EFIMAS (Operational Evaluation Tools for Fisheries Management Options) project. Brussels.
- 09/2007: European Symposium on Marine Protected Areas – as a Tool for Fisheries Management and Ecosystem Conservation. Murcia, Spain.
- 08/2007: Kyst og Fisk – workshop on fisheries dependent communities in new management systems. Hirtshals.
- 05/2007: ICES Working Group on Fisheries Systems. European interdisciplinary team on the evaluation of fisheries resource management systems. Copenhagen.
- 04/2007: Workshop on Fisheries Management in Marine Protected Areas, ICES. Copenhagen.
- 09/2003: Canadian Aboriginal Sciences and Technology Society Conference 2003. Saskatoon, Canada.
