

CURRICULUM VITAE

Name: DOUGLAS CLYDE WILSON

Position: Senior Researcher

Address: Innovative Fisheries Management, IFM
- an Aalborg University Research Centre
Department of Development and Planning
Fibigerstræde 13
DK-9220 Aalborg Ø
DENMARK

Tel.: +45 9894 2855

Mobile: +45 2115 2147

Fax: +45 9815 3788

E-mail: dw@ifm.aau.dk; ifmmail@ifm.aau.dk

EDUCATION

1996 Ph.D.	Michigan State University in Sociology. Dissertation: The Critical Human Ecology of the Lake Victoria Fishing Industry.
1989 M.Sc.	Cornell University in Development Sociology. Thesis: Dependency Theory for Africa: Evaluating Two Approaches Using Cross-National Panel Data 1960-1980.
1987 B.Sc.	Cornell University with Distinction in Rural Sociology.

LANGUAGE

	Speaking	Reading	Writing
English	Mother tongue		
Danish	Fair	Fair	Poor

OTHER SKILLS

Extensive experience with SPSS, SAS and Nud*ist, trained in pedagogy for both adult education and university teaching, action research, group facilitation, editing, desktop publishing, and social impact assessment.

COUNTRY RESEARCH EXPERIENCE

Australia, Brazil, Canada, Denmark, Faroe Islands, Ireland, Ivory Coast, Kenya, Laos, Malawi, Mozambique, Tanzania, UK, USA, Viet Nam, Zambia.

KEY QUALIFICATIONS

Sociologist specializing in fisheries with an emphasis on issues of shared knowledge. Eighteen years experience in fisheries management. Expertise and publications in qualitative and quantitative research methods, environmental sociology, the sociology of economic development, fisheries management, and the sociology of science and knowledge.

EMPLOYMENT RECORD

- 2007 - Innovative Fisheries Management – an Aalborg University Research Centre. Senior Researcher.
- 2006-2007 Institute for Fisheries Management & Coastal Community Development. Senior Researcher and Research Director.
- 1999-2006 Institute for Fisheries Management & Coastal Community Development. Senior Researcher and Editor-in-Chief of the Common Property Resource Digest.
- 1999 Department of Human Ecology, Rutgers University. Research Associate, Adjunct Professor of Sociology and Editor of the Common Property Resource Digest.
- 1996-1998 Ecopolicy Center, Rutgers University. Post-Doctoral Associate.
- 1989-1995 Michigan State University. Graduate student with research and teaching assistantships.
- 1986-1989 Cornell University. Graduate student with research and teaching assistantships.
- 1975-1985 Institute of Cultural Affairs, Chicago, USA, Rio de Janeiro, Brazil, Washington DC, USA and Nairobi, Kenya
Village and Community Development Project Staff Member and Administrator.
-

ACADEMIC HONOURS

- 1994 Fulbright-Hays Doctoral Research Abroad Fellowship.
- 1994 National Science Foundation Doctoral Dissertation Research Improvement Grant.
- 1992-1993 Social Science Research Council International Predissertation Fellowship.
- 1990-1992 Title VI Foreign Language and Area Studies Academic Year Fellowships for Swahili at Michigan State University, 1990-91 and 1991-92 and a Summer Fellowship for French at Laval University, Canada.
- 1989 Graduate Office Recruitment Fellowship, Michigan State University.
- 1986-1987 Cornell Tradition Fellowships for Summer, 1986 and Academic Year
-

HONORARY OFFICES

- 2006-2012 Member of the Executive Council of the International Association for the Study of the Commons.
- 2006-2008 Chair of the Working Group on Fisheries Systems of the International Council for the Exploration of the Sea.
- 2005-2007 Associate Editor for *Society and Natural Resource*.
- 2006 - Associate Editor (Social Science) for the *Journal of Northwest Atlantic Fishery Science*.
- 2003 - Member, Global Advisory Board for the Institute of Cultural Affairs International.
-

EXPERIENCE RECORD

- 2008-2011 **CEC, Research DG.** *Work Package Coordinator for Comparative Research on Scientific Institutions and Practices.* JAKFISH: Judgement and Knowledge in Fisheries Management, a Research Project under the EU 7th Framework Programme 2008-2011.
- 2008-2009 **CEC, Research DG.** *Work Package Coordinator for Sociological Foundations of Participatory Research.* GAP 1: Bridging the gap between science and stakeholders: Phase I – Common Ground, a Specific Support Action under the EU 7th Framework Programme 2008-2009.
- 2007-2009 **CEC, Research DG.** *Work Package Coordinator.* AFRAME: A Framework for Fleet and Area Based Fisheries Management. EU 6th Framework Programme.
- 2006-2009 **CEC, Research DG.** *Project Coordinator.* CROSCOG: Cross Sectoral Commons Governance in Southern Africa, a specific support action under the EU 6th Framework Programme 2006-2009.
- 2006-2010 **CEC, Research DG.** *Work Package Coordinator for Social and Economic Evaluations.* UNCOVER: Understanding the mechanisms of stock recovery. EU 6th Framework Programme.
- 2006-2007 **CEC, Research DG.** IBEFish: Interaction between Environment and Fisheries – a Challenge to Management. EU 6th Framework Programme.
- 2005-2008 **CEC, Research DG.** *Project Coordinator.* SAFMAMS: Scientific Advice for Fisheries Management on Multiple Scales, a specific support action under the EU 6th Framework Programme 2005-2008.
- 2005-2008 **CEC, Research DG.** *Project Coordinator.* CEVIS: Comparative Evaluations of Innovative Solutions in European Fisheries Management, a specific targeted research project under the EU 6th Framework Programme 2005-2008.
- 2004-2005 **WorldFish Centre.** Assistance in the finalization of the technical and scientific outputs covering research findings in Asia and Africa under the International Fisheries Co-Management Project.
- 2004 **WorldFish Centre/DFID.** Preparation of the Workshop Report on Governance and Institutional Changes in Fisheries - Impact on Poverty Reduction and Environmental Integrity in Developing Countries.
- 2004-2008 **CEC, Research DG.** *Work Package Coordinator for Operational Tool Evaluation.* EFIMAS: Operational evaluation tools for fisheries management options. Research project under the EU 6th Framework programme. Coordinated by Danish Institute for Fisheries Research.
- 2004-2007 **National Science Foundation.** *International Coordinator.* “Experience Based Knowledge in a Science Policy Context,” NSF 01-152, Societal Dimensions of Engineering, Science, and Technology (SDEST), Award no. SES-0349907.
- 2003-2006 **CEC, Research DG.** *Work Package Coordinator for Local Stakeholder Analysis.* FRAP: Development of a procedural Framework for Action Plans to reconcile conflicts between large vertebrate conservation and the use of biological resources: fisheries and fish-eating vertebrates as a model case. EU 5th Framework Programme.
- 2003-2005 **CEC, Research DG.** *Work Package Coordinator for Institutional Analyses of the Production of Scientific Advice.* PKFM: Policy and Knowledge in Fisheries

- Management. EU 5th Framework Programme.
- 2002 **The Marine Stewardship Council** *Team Leader*. Development of guidelines for certifying sustainable small-scale fisheries.
- 2002 **The Nordic Council**. *Sociologist*. Research project on integrating fisheries and environmental policies: the Nordic experiences and the Common Fisheries Policy.
- 2001 **The Mid-Atlantic Fisheries Management Council**. *Sociologist*. Social Impact Assessment for Amendment 13, Surf Clam and Ocean Quahog Fishery Management Plan
- 2001-2004 **European Commission**. KNOWFISH: Fisheries Knowledge and Fisheries Management. *Social Science Methods Coordinator* for 19 partners, 7 case projects and *Principle investigator, Social Science* for the Zambia and Vietnam Cases. 5th Framework INCO-DEV Programme.
- 2000-2002 **Rådet for Ulandsforskning**. *Principle investigator, Social Science*. Research project on Living Aquatic Resources - Management and Knowledge Base. *Team Leader* Laos Pilot Study.
- Direktoratet for Fødevarerhverv**. *Team Leader*. Research project on Investigating Danish Fishers' Perceptions of Environmental Sustainability.
- 1999-2002 **DANIDA-AIT**. *Adjunct Senior Researcher*. Teaching and developing training courses at Asian Institute of Technology in Bangkok under the International Coastal Zone Management Special Programme.
- 1999-2003 **DANIDA**. *Sociologist*. Coastal Resources Co-management: A worldwide collaborative research project. Undertaken by ICLARM and IFM in collaboration with national aquatic research institutions in South East Asia and Southern Africa. *Principle Investigator*. Lake Mweru, Bangweulu Swamps and Upper Zambezi cases. *Team leader* Four-country Southern Africa comparative survey of Co-management institutions.
- 1999 **University of Florida**. *Advisory Panel Member* for the Marine Fisheries Initiative Grant Defining and Identifying Fishing Dependent Communities: Development and Confirmation of a Protocol.
- 1998-2000 **National Science Foundation**. *Team Leader*. Research project on Science and Citizen Participation in Fisheries Management.
- 1998 **National Marine Fisheries Service**. *Team Leader*. Social Impact Assessment of the Highly Migratory Species and Billfish Fisheries Management Plans.
- National Science Foundation / US Environmental Protection Agency**. *Sociologist*. Research project on Integrating Models of Citizen's Perceptions, Metal Contaminants, and Wetlands Restoration in an Urbanizing Watershed.
- Rutgers University Department of Sociology**. *Adjunct Professor*.
- 1997-1999 **Atlantic States Marine Fisheries Commission**. *Sociologist*. Serving on the Commercial Socio-Economic Survey Sub-committee and the Fishing Communities Sub-committee developing the social and economic dimensions of the Atlantic Coast Cooperative Statistics Program.
- 1997 **NJ Sea Grant College Program**. *Team Leader*. Research project on the Development of a Bluefish Data Gathering Network.
- Rutgers University Department of Human Ecology**. *Adjunct Professor*. Environmental Policy.
- New Jersey Department of Environmental Protection**. *Team Leader*. Research

- project on Development of Sociodemographic Indicators of Response to Risk Information.
- 1996 **US Environmental Protection Agency.** *Co-chairperson* of the Human Activities Work Group of the Barnegat Bay Estuary Program.
- 1995 **Institute of International Agriculture.** *Research Assistant.* Bibliographic research for a USAID research program on the linkage between population pressure and soil conservation in Madagascar.
- 1989-1995 **Michigan State University.** *Various teaching and research assistantships.*
- 1986-1989 **Cornell University.** *Various teaching and research assistantships.*
- 1983-1985 **Institute of Cultural Affairs Area Co-ordinator.** Central Kenya for the Kenya Village Development Replication Scheme (co-ordinating 14 village projects).
- 1984-1985 **Institute of Cultural Affairs Headmaster** of the National Village Leaders Training School.
- 1984 **Institute of Cultural Affairs Planning Advisor.** Bouake Area Village Development Scheme, Ivory Coast.
- 1980-1983 **Institute of Cultural Affairs Area Co-ordinator.** for Western Kenya for the Kenya Village Development Replication Scheme (Co-ordinating 8 village projects).
- 1977-1978 **Institute of Cultural Affairs Project Staff Member.** Bananeras Human Development Project, Rio de Janeiro, Brazil.
- 1976-1977 **Institute of Cultural Affairs Project Staff Member.** Ivy City Human Development Project, Washington DC, USA.
-

INVITED AND KEYNOTE PRESENTATIONS

- 2010 “On the Interplay between Research and Policy Making: Lessons from ICES and the Common Fisheries Policy” Keynote presentation at The Finnish Academy BONUS Day, 9 February 2010, House of the Estates, Helsinki, Finland
- 2009 “Policy Uptake of Social Science Knowledge: What can we learn from the natural science experience?” Keynote presentation at The XIXth European Association for Fisheries Economics Conference - 6th to 8th July 2009 - Malta
- “Multi-level governance and scientific advice for the effective implementation of biodiversity targets”. Keynote presentation at The European Platform for Biodiversity Research Strategy conference on Targets for Biodiversity beyond 2010, 29 Sept – 1 October, Visby Sweden
- “The science-policy interface in spatial management of the Dogger Bank” Keynote presentation at Spatial Management of the North Sea Dogger Bank area: International and multidisciplinary challenges for an integrated maritime policy. A workshop organized by the Wageningen UR, Centre for Marine Policy (CMP) Leeuwarden, 2 - 4 September 2009
- 2004 “Future Directions for Fisheries Co-management Research” keynote presentation at the International Workshop on Fisheries Co-management: Lessons and Directions, 3-5 October 2004, Dhaka, Bangladesh.
- 1999 “Fisheries Science Collaborations: The Critical Role of the Community” Keynote presentation at Conference on Holistic Management and the role of Fisheries and Mariculture in the Coastal Community Nov 11 - 11, Tjärnö Marine Biological Laboratory, Sweden.

PROFESSIONAL SERVICE

- 2010 Member of the Scientific Committee: Conference on Governance of Natural Resources in a Multi-Level Context. Leipzig, Germany
- 2009 Member of the Scientific Committee: Scaling Up Conservation Practices for Natural Resource Commons in Africa: A Regional Meeting of the International Association for the Study of the Commons, Cape Town, South Africa
- Member of the Scientific Committee: ICES/PICES/UNCOVER Symposium on Rebuilding Depleted Fish Stocks - Biology, Ecology, Social Science and Management Strategies, Warnemünde/Rostock, Germany
- 2008 Member of the Scientific Committee: Governing shared resources: connecting local experience to global challenges The 12th Biennial Conference of the International Association for the Study of Commons, Cheltenham, England
- 2006 Member of the Scientific Committee: ICES Symposium on Management Strategies, Galway, Ireland
- 2000 Facilitator and Coordinator of the “Workshop on Inshore Fisheries and their Communities: Is there a Strategy for Survival” Hirtshals, Denmark, May.
- 1999 Facilitator and Follow-up Coordinator for the Workshop on Inshore Fisheries and their Communities: Is there a Strategy for Survival” at the conference on Holistic Management and the role of Fisheries and Mariculture in the Coastal Community in Tjärnö, Sweden. Nov.

- 1998 Facilitator for the NJ Department of Agriculture regulatory reform and marketing meetings with fishing communities, Jan.
- 1997 Facilitator for the Rutgers Cooperative Extension / Cape May Seafood Association program to reduce conflicts caused by the use of incompatible fishing gear, current and ongoing. April.
- Facilitator for the Mid-Atlantic Consortium property rights workshop for fishers, farmers, regulators, and environmentalists, Oct.
-
