

CURRICULUM VITAE

Name: JESPER RAAKJÆR

Position: Professor and Head of Centre

Sex: Male

Nationality: Danish

Date of birth: 20 September 1961

Address: Innovative Fisheries Management, IFM
- an Aalborg University Research Centre
Department of Development and Planning
Fibigerstræde 13, DK-9220 Aalborg Ø
Denmark

Tel.: +45 9894 2855

Fax: +45 9815 3788

E-mail: jr@ifm.aau.dk; ifmmail@ifm.aau.dk

EDUCATION

2009 DSc	University of Aalborg
1992 PhD	University of Aalborg
1988 MSc (Econ.)	University of Aalborg
1985 BSc (Econ.)	University of Aalborg

LANGUAGE

	Speaking	Reading	Writing
English	Excellent	Excellent	Excellent
German	Good	Excellent	Fair
Danish	Mother tongue		

COUNTRY EXPERIENCE

Bangladesh, Belize, Canada, France, Gaza, Iceland, Latvia, Lithuania, Malawi, Malaysia, Mozambique, Nigeria, Norway, Philippines, South Africa, Spain, Thailand, UK, USA, Vietnam, Zambia, Zimbabwe and Denmark.

KEY QUALIFICATIONS

- Specialization in research and development in fisheries and coastal policy, management and sector planning with emphasis on structural, institutional and socio-economic aspects including co-management and legitimacy and enforcement analysis (in both industrial and developing countries).
- In depth knowledge of worldwide fisheries management schemes and their industry impacts.
- Background in general industrial development of regions and communities - fishing dependent in particular.

EMPLOYMENT RECORD

2007-date	Innovative Fisheries Management – an Aalborg University Research Centre. Professor and Head of Centre (on sabbatical leave part of 2007-2008)
1994-2007	Institute for Fisheries Management & Coastal Community Development 2006-2007: Vice-director (Finance and HRD) 2000-2007: Research Professor 1999: Principal Researcher 1997-1998: Senior Researcher/Adviser 1994-1997: Research Scientist/Fisheries Management Adviser (Fisheries Economics)
2007-date (part-time)	Pelagic Skagen Ltd. Fish Processing Plant. A merger between P. Anthonisen Ltd. and Havfisk Skagen Ltd. Vice-Chairman of the Board of Directors
2001-2007 (part-time)	P. Anthonisen Ltd. Fish Processing Plant. Chairman of the Board of Directors
1991-1993	Danish Institute for Fisheries Technology and Aquaculture. Fisheries Economist
1988-1991	University of Aalborg, Institute of Production. Research Fellow
1975-1988 (Part-time)	Professional fisherman. (Estimated to 4 years full-time employment)

MEMBERSHIP OF PROFESSIONAL SOCIETIES

Association of Danish Lawyers and Economists
European Association of Fisheries Economists
International Institute of Fisheries Economics and Trade

REVIEW, SUPERVISION AND RESEARCH NETWORKS

Review Reviewer for Research Councils in: Chile, EU, Faeroe Islands, Norway and South Africa

Reviewer for the following journals: African Journal of Marine Science, Danish Journal of Geography, Environmental Management, Fish and Fisheries, Fisheries Research, Food Economics, Geography, Human Ecology, ICES Journal of Marine Science, Journal of Environmental Planning and Management, Marine Resource Economics, Ocean and Coastal Management and World Development

Book reviews for Kluwer Academic Press

Supervision 1994-date: PhD supervisor:
University of Roskilde (1994-98)
Aalborg University (1996-2002 and 2008-)
University of Zimbabwe (1999-2005)
University of Tromsø (2004-)
University of Cape Town (2005-2009)

Research Networks FAME - Centre for Fisheries & Aquaculture Management & Economics (Danish)
MAST - Research School for Studies in Marine and Coastal Environment, Heritage and Sustainable Tourism
CRU - Centre for Regional Development (Aalborg University)

HONORARY OFFICES

2009-date	Member of the Pelagic RAC representing the EU Fish Processor's Association (AIPCE)
2008-date	Chairman of the Pelagic Group and member of the Executive Committee of the Association of Danish Fish Processing Industries and Exporters
2008-date	Advisory committee member at the research project: Unravelling the Vicious Circle: Poverty Alleviation and Sustainable Livelihoods in Small-scale Fisheries (POVFISH)
2005-2008	Member of the reference group for the research project: Misery and miserabilism in African fisheries: Conceptualisations of poverty in small scale fisheries research (WELFARE)
2006-date	Member of the programme Committee for Marine Research under the Danish Directorate for Food, Fisheries and Agri Business
2003	Member of the working group "Improved fisheries management" appointed by the Danish Minister of Food, Agriculture and Fisheries
1996-2002	Staff representative at the Board of Trustees of IFM
1998	Member of the expert group formulating the research programme on fisheries management part of the national strategy for Public Danish Fisheries Research
1996	Secretary for the expert group on Fisheries Management as part of the development of a national strategy for public Danish fisheries research
1993-1996	Member of the Project Committee for the development of a regional economic input-output model for the Danish fisheries sector
1993-1994	Member of the Fisheries Commission of Bornholm
1992-1993	Member of the panel of experts evaluating the EC Fisheries and Aquaculture Research Programme FAR

EXPERIENCE RECORD

RESEARCH:

- 2010-13 **CEC, Research DG. Senior Researcher.** ODEMM: Options for Delivering Ecosystem-Based Marine Management. Research project under the EU 7th Framework Programme.
- 2010-11 **Greenland Climate Research Centre. Project leader.** The West Greenland marine ecosystem and climate change – The socio-economic adaptation and governance challenges for fisheries management.
- 2008-2011 **CEC, Research DG. Senior Researcher.** MEFEP0 Making the European Fisheries Ecosystem Plan Operational. Research project under the EU 7th Framework Programme.
- 2006-2009 **CEC, Research DG. Senior Researcher.** CROSCOG Cross Sectoral Commons Governance in Southern Africa. A specific support action under the EU 6th Framework programme.
- 2006-2007 **Norwegian Research Council. Senior Researcher.** Implementation of TACs in the North Atlantic Fisheries (ITAC). Coordinator: Norwegian Agricultural Economics Research Institute.
- 2006-2007 **European Social Fund through the North Jutland County. Senior Researcher.** Needs for knowledge and the sourcing of it in the innovation process of companies in the agri-food sector of Northern Jutland – a project under Center for Regional Development, Aalborg University.
- 2002-2008 **IFM Research Fund. Principal researcher.** Senior doctoral thesis submitted August 2008 with the following title: *EU Fisheries Management System in Crisis – the EU Common Fisheries Policy.*
- 2004-2005 **IFM Research Fund. Visiting professor** at the Programme for Land and Agrarian Studies (PLAAS), School of Government, University of the Western Cape, Republic of South Africa.
- 2002-2005 **CEC, Research DG. Senior Researcher.** EU 5th Framework Programme. TECTAC: Technical developments and tactical adaptations of important EU fleets.
- 2002-2004 **CEC, Research DG. Senior Researcher.** EU INCO-DEV programme. KNOWFISH. Knowledge base for fisheries management.
- 2002-2004 **CEC, Research DG. Senior Researcher** and head of activities in Denmark. EU 5th Framework Programme. RESPONSIBLE. Sharing responsibilities in fisheries management.
- 2000-2002 **CEC, Research DG. Senior Researcher.** EU 5th Framework Programme. MOFISH. Multiple Objectives in the Management of EU Fisheries.
- 2000-2004 **Ministry of Food, Agriculture and Fisheries, Danish Directorate for Develop-**

- ment. Senior researcher. TEMAS. Technical measures – Development of evaluation model and application in Danish fisheries.**
- 2000-2001 **CEC, Research DG. Member of Expert Evaluators Panel (Stage 1 and 2) for Fisheries and Aquaculture under Programme Quality of Life and Management of Living Resources.**
- 1999-2003 **DANIDA. Project leader. Fisheries Co-management: A worldwide collaborative research project. Undertaken by ICLARM and IFM in collaboration with national aquatic research institutions in South East Asia and Southern Africa.**
- 1999-2001 **Norwegian Research Council. Senior Researcher. Management, co-management or no management? Major dilemmas in the sustainable utilisation of SADC freshwater fisheries.**
- 1996-2000 **Danish Ministry of Agriculture and Fisheries. Senior researcher. Research Project aiming to develop fisheries management systems based on regulation of input (fishing effort) as an alternative or supplement to regulation of output (quota-regimes).**
- 1998 **Nordic Council of Ministers. Organiser of a Nordic Research Seminar on: Force and Legitimacy in Fisheries Management.**
- 1994-1998 **DANIDA. Senior researcher, responsible for project activities in Southern Africa. Fisheries Co-management: A worldwide collaborative research project. ICLARM and IFM in collaboration with national aquatic research institutions in South East Asia, Southern Africa and West Africa.**
- 1995 **CEC, DG XIV. Senior Researcher. Fisheries Co-Management: An alternative management strategy in fisheries - the case of Denmark". Part of the OECD study on the efficient management of living marine resources.**
- 1994-1995 **CEC, DG XII. Senior researcher. EU 4th Framework Programme "Devolved and Regional Management Systems in Fisheries", a project which aims to explore the opportunities for strengthening the role of regional and fishermen's organisations in present and future management systems in EU.**
- 1993 **Nordic Council of Ministers. Researcher. Preparation of a survey of the Danish Resource Management and Surveillance set up, as part of a study of Resource Management and Surveillance programmes within the Nordic countries.**
- 1992-1993 **CEC, DG XIV. Scientific official for the study: "Framework Implementation of Technical Regulations", an economic analysis of fishermen's strategic adaptation in response to technical regulations.**
- 1992 **Nordic Council of Ministers. Researcher. Interviewed Danish Fisheries Organizations on their relations to their Euro-organization and Nordic organizations.**
- 1992 **Nordic Council of Ministers. Coordinator. Organized a Nordic Research Symposium on bioeconomic research in multi-species fisheries management.**
- 1991 **Nordic Council of Ministers. Fisheries economist. Accomplished a survey on economic research in multi-species fisheries management in the Nordic countries.**
- 1990-1991 **Nordic Council of Ministers. Researcher. Danish representative at the Nordic re-**

search project: "Fisheries Management Systems - Nordic experiences".

- 1988-1991 **University of Aalborg.** *Principal researcher* of the research project: "Structural problems in the Danish Fisheries sector, in a socio-economic perspective".
- 1989 **Danish Research Academy.** *Visiting scholar* for 4 months, at the Institute of Fisheries Analysis, Simon Fraser University, Canada.
- 1989 **Det Obelske Familiefond.** *Visiting scholar* at the University of Iceland. Investigated the impacts of vessel quotas within the Icelandic fisheries sector.
- 1987-1988 **University of Aalborg.** *Graduate student.* Master project entitled: "Development of the artisanal fishing sector in developing countries". Development of a model to understand the socio-economic impacts related to implementation of fishery projects in developing countries.
- 1986 **University of Aalborg and Private Foundations.** *Co-investigator* on the research project: "Salmon Farming in Alaska: Economic Feasibility and Socio-Economic Impacts" at the University of Alaska-Fairbanks, USA.

CONSULTANCIES:

- 2008-2009 **North Jutland Region - Vækstforum/Den Europæiske Fond for Regionaludvikling (European Regional Development Fund).** *Senior Consultant.* Forprojektet 'Fiskeindustri' - Delklyngebeskrivelse for Fiskerisektoren (pilot project to describe the 'part cluster' within the fisheries sector).
- 2008 **NORAD.** *Team leader.* Mid Term Review Fisheries Sector Cooperation South-Africa – Norway.
- 2008 **Directorate for Food, Fisheries and Agri Business, Danish Ministry of Food, Agriculture and Fisheries and Vækstfonden (Regional Development Fund).** *Senior Consultant.* Pilot project on establishing a network among fisheries municipalities in Northern Jutland.
- 2008 **North Jutland Region - Vækstforum/Den Europæiske Fond for Regionaludvikling (European Regional Development Fund).** Nordjysk videnfyrtårn på fiskeriområdet (pilot project on the needs and possibilities for an intensified cooperation between the fishing industry and knowledge institutions in Northern Jutland).
- 2008 **DANIDA.** *Team leader.* Facilitation of the development of the future strategy for the Marine Fisheries Specialist Team (MFST).
- 2006 **NORAD.** *Co-management expert.* Assistance to the Fisheries Law Project in Vietnam to complete the planning process for undertaking two pilot projects: Fishing port management and Fishing vessels registration, inspection and management.
- 2005 **NORAD.** *Fisheries Economist.* Result review of the Norwegian - South African fisheries collaboration.
- 2005 **DANIDA.** *Team leader.* Support to formulation of a national development strategy for Vietnam Association of Fisheries (VINAFIS).

- 2004-2005 **DANIDA. Team leader.** Formulation of the capture fisheries component of the Fisheries Sector Programme Support to Vietnam 2006-2010.
- 2003-2005 **DANIDA. Team leader.** Long-term consultancy supporting data analysis and multidisciplinary advice provided to decision-makers on management of Vietnamese capture fisheries. Routine data collection are elaborated into resource, ecosystem and fisheries profiles and form the scientific background for the Marine Fisheries Specialist Team, that provides multidisciplinary advice to the Ministry of Fisheries on management options.
- 2003 **Directorate for Food, Fisheries and Agri Business. Senior Consultant.** Mid-term evaluation of the FIUF programme 2000-2006.
- 2003 **Directorate for Food, Fisheries and Agri Business. Senior Consultant.** Evaluation of the FIUF and PESCA programmes 1994-99.
- 2002-2003 **European Commission. Coordinator** for activities in Denmark, Sweden and Finland. Study on the impact of FIFG measures on the fish processing industry. The study is coordinated by Nautilus Consultants Ltd., Scotland.
- 2002 **DANIDA. Team Leader.** Analysis and assessment of the Vietnam Association of Fisheries (VINAFIS).
- 2002 **NORAD. Contributor.** Developing a strategy for future Norwegian support to the fishery sector in Vietnam.
- 2001-2002 **DANIDA. Fisheries economist.** Consultancy to strengthen the fisheries management in Vietnam.
- 2001 **Lake Kariba Fisheries Research Institute (LKFRI). Fisheries economist.** Consultancy to assist LKFRI in setting-up an economic data collection programme for the Kapenta fishery at Lake Kariba, Zambia/Zimbabwe.
- 2000 **NORAD. Fisheries management expert.** Study of the fisheries sector in Mozambique.
- 1999 **DANIDA. Fisherman and fisheries economist.** Joint Review of Gaza Fisheries Project.
- 1999 **NORAD. Fisheries economist.** Preparation of project document for the consolidation phase of the Zambia/Zimbabwe SADC Fisheries Project at Lake Kariba.
- 1999 **DANCED. Coastal zone management expert.** Review of Danish-SE Asian Collaboration in Tropical Coastal Ecosystems Research and Training.
- 1999 **DANIDA. Economist.** Second Annual Joint DNP/Danida sector review of the Sector Programme Support to the Semi-industrial Fisheries in Mozambique.
- 1999-2000 **DANCED. Team leader.** An in-depth analysis of the options for a major restructuring of the South African fishmeal and oil industry.
- 1998 **Vendsyssel Industrial Development Council, Skagen Municipality and The Industrial Development Council of Hirtshals. Secretary.** Elaborating an industrial policy discussion paper on the future perspectives for fishing dependent communities.

- 1998 **Ministry of Foreign Affairs.** *External evaluator.* Evaluation of a project proposal to develop the fisheries sector in Latvia.
- 1998 **DANIDA.** *Team leader.* Appraisal of Phase II of the ALMRV Project - Strengthening the capacity of relevant institutions in Vietnam to formulate and implement policies that will ensure sustainable utilisation of the Vietnamese fish resources.
- 1997-1998 **European Commission, DG XIV.** *Responsible consultant* for Denmark. Consultation methods of professional organisations in the fisheries and aquaculture sector, make recommendations to DG XIV on how to reschedule its consultation methods with professional organisations.
- 1997-1998 **Purse Seiner Producer Organisation.** *Policy adviser* in relation to formulation of fisheries management strategies and regulation proposals.
- 1997-1998 **Bornholm Business Council.** *Project leader.* Study of the prospects for the fisheries sector in Bornholm.
- 1997 **NORAD.** *Fisheries economist.* Review of the Zambia/Zimbabwe SADC Fisheries Project at Lake Kariba.
- 1996-1997 **North Sea Centre and North Jutland County.** *Project leader.* Feasibility study for establishing a new research institute at the North Sea Center.
- 1996 **DANIDA.** *External evaluator* of sub-project 3: Fish Trade, Processing and Marketing Study, as part of the Master Plan for the Vietnamese fisheries sector.
- 1995-1996 **Skagen Municipality and the Danish Ministry of Agriculture and Fisheries.** *Deputy project manager.* "Skagen as a leading center for landing, processing and distribution of pelagic fish in the Northeast Atlantic area". Study of the global perspectives and the local initiatives for small pelagics.
- 1995 **The Industrial Development Council of North Jutland.** *Secretary.* Working group, established with the aim to elaborate proposals for an alternative Danish fisheries regulation.
- 1995 **Fiskeskib 2000 A/S.** *Economic adviser.* Estimation of vessel profitability for different gear types in various Danish seasonal fisheries.
- 1994 **DANIDA.** *Team leader.* Preparation of project proposal for reformulation of IDPPE project component: "Support to the Small-Scale Fisheries Sector in Sofala Province, Mozambique".
- 1994 **FAO.** *Fisheries economist.* Rationalization of the distant-water fishing fleets in Estonia, Latvia and Lithuania.
- 1994 **DANIDA.** *Consultant.* Assisting in the final preparation of the Fisheries Master Plan for the artisanal and semi-industrial fisheries subsectors in Mozambique.
- 1994 **DANIDA.** *Fisheries Economist.* Mid-Term Review of the Oxbow Lakes Small Scale Fishermen Project in Bangladesh.
- 1993 **The Industrial Development Council of North Jutland.** *Leader of project.* Prospective plan for the Fisheries Sector in North Jutland.

- 1993 **Belize Agro Industrial Development.** *Economist.* Fact Finding Mission. Investigation of potential within the Fishery and Aquaculture sector in Belize.
- 1992-1993 **Fiskeskib 2000 A/S.** *Leader of project.* General evaluation and identification of needs for the fishing vessel of year 2000.
- 1992 **DANTEAM.** *Fisheries economist.* Feasibility studies on the rehabilitation on trawlers in order to improve quality of the landed fish and the profitability in the trawl and Danish seine fishery.
- 1992 **Vestkajens Maskinværksted A/S.** *Leader of project.* Market study for a new type of trawl winch.
- 1991 **The Industrial Development Council of North Jutland.** *Economist.* Prospective plan for the Herring and Mackerel processing industry in North Jutland.
- 1991 **Robert Damkjær Ltd.** *Team leader.* Investigated the possibilities for establishing a Danish-Nigerian joint-venture company for shrimp fishing in Nigerian waters.
